

Dear Rover friends!

Every year there is an international meeting for all enthusiasts of Rover cars, the British legend, organized by one of the European Rover owners' clubs. It is an honor for the RoverClub Czech Republic to continue in this wonderful tradition and host the International Rover Meeting 2017 from Thursday, May 25 to Sunday, May 28. We have decided to take advantage of the location of the Czech Republic in the heart of Europe and invite club members from all European directions because we believe it will make the meeting very unique.

The International Rover Meeting 2017 takes place in Brno, South Moravia. A comfortable four-star hotel has been chosen as the meeting base. However, the South Moravian region offers lots of geographical, cultural or technical attractions so you will have chance to visit some the most famed of them during this meeting. You will enjoy an eventful program, some adventure, and lots of fun combined with gastronomy and relax. During various competitions you can check your knowledge and skills, or attractiveness of your cars in the RoverClub CZ Concours d'Elegance Chateau Lysice competition. The award ceremony for competition winners will take place at the gala evening on Saturday.

If you are a Rover car owner, either classic or modern, or if your car brand is associated to the Rover history, such as MG, Land-Rover, or classic Mini, you are highly welcome to this event! More details about the program, as well as the registration form and contact information can be found at the meeting website, news and updates will be periodically sent to all registered meeting participants via e-mail:
